

Hobbs Public Library Adds Early Literacy Station™

Hobbs, New Mexico – June 2012 – Hobbs Public Library announces the acquisition of the Early Literacy Station™ (ELS), a complete educational solution loaded with 50 educational software titles for kids ages 2-8 in the English edition and over 50 in the Bilingual Spanish edition. The Early Literacy Station™ offers children a safe, standalone computer not connected to the Internet that is age-appropriate, engaging, and academically relevant for children. The ELS has a colorful keyboard and tiny mouse to promote easy learning and discovery.

The Early Literacy Station's educational software covers seven curricular areas: reading, math, science, social studies, writing, arts and music, and reference. The system is designed to attract and educate toddlers through early elementary school ages.

AWE's Early Literacy Station™ educational software titles include:

- Dora's World Adventure
- Giggles Toddler My Musical World
- Kid Works Deluxe
- Millie's Math House
- Math Doodles
- Photo Kit Jr.
- Sesame Street
- Stationary Studio
- World of Goo

The Early Literacy Station™ has an imaginative interface that encourages exploration. Many of the software programs contain disguised learning activities that expand the child's experience through games and extension activities.

AWE's Early Literacy Stations are used in over 35% of the public libraries across the United States and Canada. Elementary Schools, Head Start centers, After School programs and Childcare facilities are adding the Early Literacy Station™ to their educational offerings. The Early Literacy Station™ is available in English, Spanish and French.
